Treat yourself

to a New YOU at LasaDerm this Christmas

It's nearly that time of year for posh frocks, office bashes and family gatherings. After all your hard work this year, it's time to give yourself a nice Christmas present - treatments that won't break the bank but will really make a difference. If you've been toying with the idea and still not sure where to go or who to trust then let the doctors at LasaDerm do their magic.

Here's a list to give you ideas for the festive season and to bag glittering offers too!

Procedure	Our Take	The Cost
BOTOX 	When it comes to softening lines and wrinkles on the forehead, between the brows, crow's feet around the eyes, the popularity of Botox injections shows no signs of waning. Botox can also be used to lift eyebrows and create a lift of heavy eyelids giving you that refreshed rather than haggard look. **Don't go to just any doctor. Make sure they have a lot of experience and that they take time to study your facial expressions.** **You will see full results 7-10 days after your treatment.**	**Lasts 3 - 5 months and costs £129-£199** **Get £20 off when you quote MKNEWS-Xmas Offer T+C apply**
DERMAL FILLERS Injections of Hyaluronic acid which give upper and lower lips an instantly plumper pout. Fillers are used for Filling and softening lines and folds on the face, around the mouth, lips and cheeks and also to plump up lips so they look fuller, creating a "pout'. **If the thought of fillers scares you due to stories of Lesley Ash, etc then let us assure you that those problems are caused by permanent fillers. At LasaDerm WE DO NOT USE PERMANENT FILLERS but use Hyaluronic Acid Fillers which can be dissolved if required.** **Your body contains Hyaluronic acid and as you age this depletes causing that sunken, hollow drawn look. That's why a top up can sometimes be useful and that's exactly what Fillers do.**	If you're 40 something with deeper set wrinkles and folds, sunken cheeks, under eye hollows or limp lips which all add unnecessary years to your face then **DERMAL FILLERS are the way forward.** As lines are filled, skin looks firmer younger and the effects can last for up to 12 months. Dermal Fillers can take 10 years of easily. It's important to ensure that you go to a practitioner who has an eye for facial aesthetics. During the consultation the Doctor should be able to show you pictures of before and after clients that "THEY" have actually done. The LasaDerm Clinic uses a specialised method using a cannula to inject Filler which causes less bruising and delivers a more even outcome. Lips are the most sensitive but all other areas produce tenderness for 24 hours after, which can be eliminated by taking paracetamol. To minimise bruising avoid blood thinning green tea and aspirin and omega 3's. Results are instant and again last 10-12 months. Well worth the money spent as Fillers can have a subtle yet noticeable difference and really take years off	**Quote "I didn't act my age and now I don't have to look it either!" Mandy aged 52 from Bedford** Lips **Lips £200 SAVE £20** Get that sexy pout and add volume and shape to your lips. Can be as subtle or dramatic as you want. Package Prices for Filler available on consultation.
TEAR TROUGHS-(under eye filler) These are Hyaluronic acid shots under the eye-placed carefully between the bone and the muscle. Done via a specialised method using a cannuli which delivers the filler in this delicate area producing a more even result and virtually no bruising. **If eyes are an issue and you're obsessed with them then this is an offer not to be missed. We promise you won't be disappointed.**	These fillers hide dark circles and smooth contours so light bounces uniformly off the area to give a smoother, less wrinkled and light appearance.**You will wake up looking refreshed and less "haggard"** If dark circles are your main concern you won't need to use concealer after the treatment all as results are instant before after	**XMAS SPECIAL** **£250** **Normal Price -£320** **SAVE £70**

ALL OFFERS valid till December 31st 2013 but deposit of £50 secures treatment for 6 month

An 'inspiration'

Tributes pour in for much-loved school principal after his death

BY JESSICA DUNCAN

jessica.duncan@mk-news.co.uk

A MUCH-LOVED and 'inspirational' school principal has died following a short battle with cancer.

Simon Viccars had been principal of Sir Herbert Leon Academy, formerly the Leon School and Sports College, in Bletchley since 2004.

He died on Wednesday last week after suffering from leukaemia since June this year.

MK NEWS and our website MKWeb have been inundated with tributes to the 58-year-old from his colleagues, students and friends. Many have described him as a 'wonderful headteacher' and a 'true ambassador for the school'.

John O'Donnell, a friend and headteacher of John Radcliffe School in Wolverton, said: "He was Leon through and through and if he was a stick of rock he would have had it stamped, he loved the place.

"He loved the kids and was an inspiration to kids and adults.

"Simon was a lovely friend and a great colleague and he will be really missed."

A Simon Viccars' Condolence Page has been set up on social networking site Facebook where pictures have been posted alongside people's memories of him at the academy and doing activities, including sky diving and performing in theatre productions.

His wife Pam, daughters Jennifer and Sarah and stepsons Jeff and George have left a comment saying:

"While we are so very grateful for all the floral tributes, we would love it if you would consider making a donation to Macmillan instead.

"Simon was committed to others and the support of Macmillan was very important to us during his short illness.

"Please continue to share your memories and stories and thank you so much for your kind messages of sympathy and support."

A minutes silence was held at an under 18s football match between Waterhall Stars FC in Bletchley and Winslow United on Sunday, as many of the Waterhall players attend the academy. Students, staff and Mrs Viccars turned out to watch the game.

Mrs Viccars commented on Facebook: "With sincere thanks and in respect to the community, I attended the minute silence observed for my husband, Simon, at the football match.

"Your kind wishes and tributes have touched our hearts and I know that Simon would be so extremely proud of you all for extending your support to me and our family. Thank you."

People taught by Mr Viccars have also left comments on the page, including Dionne Jade Browning from Bletchley.

She said: "The minute silence at the football match was so emotional, everyone showed so much respect.

"Mr Viccars was an amazing man who influenced the lives of so many. "It was an absolute pleasure to have you as a head and a teacher. You shall never be forgotten sir."

James Armstrong, chairman of governors at the academy, told MK NEWS: "Mr Viccars worked tirelessly at the school as principal for nine years, successfully leading it through many changes.

Leon through and through: Simon Viccars took over as principal in 2004

"He was a great headteacher with vision and wisdom.

"He made a significant difference to the lives of hundreds of students who attended the academy and he will be very missed by everyone who knew him.

"Our thoughts are with Simon's family at this very difficult time."

I AM so shocked and saddened by Simon Viccars passing away.

He was the life and soul of Sir Herbert Leon Academy/Leon School and I thought he would live on for decades.

My son went to Leon School some years ago and Simon was so friendly and yet professional too. It really is a shock. It hasn't really sunk in yet.

Parent and past friend of the late Simon Viccars

I WAS a student when Mr Viccars was deputy headteacher and my English teacher.

He was such an amazing man and a fantastic teacher – a true role model. He will be sadly missed by all.

My sincere condolences go out to his family.

G Jerden

SO SORRY to hear the sad news about Simon. We are the parents of three children and he was a most wonderful teacher – very inspiring to all the pupils. We knew he would make a great headteacher. Deepest sympathy to all his family.

Carol and John Jerden, parents of Karen, Nicola and Gary

HE WAS a wonderful teacher and I was so pleased to hear he had gone on to become a headteacher.

Then that turned to shock when someone who seemed so young and full of life gets taken so suddenly.

I wish his family and friends my prayers at this time.

Adrian Batten, former student

I AM the mother of Simon and Timothy who attended a school where Simon Viccars taught a few years ago.

Due to the good teaching there, especially of Simon, they have been through university and have good jobs.

Simon was an extremely good teacher. So sorry to hear the sad, sad news – every sympathy is wished for the family.

Ex-policeman in court on misconduct charges

A FORMER constable accused of repeatedly accessing the police national computer (PNC) for his own personal use appeared in court on Monday.

Martin McElvenna allegedly searched the database to access confidential information between January 12, 2012 and July 26 this year at Milton Keynes Police Station.

He is also accused of using the PNC to repeatedly carry out person checks on a man called Vaughan Harrington between July 22, 2012 and March 14 this year.

Mr McElvenna appeared in the dock at Westminster Magistrates' Court charged with two counts of misconduct in a public office and spoke only to confirm his name and address.

He was told he will face a preliminary hearing at Southwark Crown Court on November 29.

The 53-year-old, of Wilks Walk, Grange Park, Northampton, has yet to enter pleas to the two charges.

He served as an officer for Thames Valley Police and was dismissed by the force on November 5 this year following a misconduct hearing.

40 cars have tyres slashed in 'rampage'

BY JESSICA DUNCAN

jessica.duncan@mk-news.co.uk

MORE than 40 vehicles had tyres slashed in a week-long 'rampage' on an estate.

The vehicles were parked in 16 different streets on the Lakes Estate in Bletchley.

Smitran Soora, 67, who has lived in Nevis Grove for nearly 39 years, had two of her car tyres slashed.

She said: "We had nine cars in our street alone have tyres slashed and at least three of them still have flat wheels as the owners probably can't afford to have them fixed.

"I am a disabled person and with my pension it is difficult to pay to get the tyres fixed, but if I want to go out I need a car. There is nothing I can do to protect my car in the future as the garage space is so expensive."

Jeanette Marling, chairman of the Lakes Estate Residents' Association, said: "It is like someone has gone on a rampage and it is definitely more serious than kids playing a prank.

"We have never had anything like this before and it's a shame as we do struggle with a stigma on the estate.

"It is really disappointing as it overshadowed the fireworks event which better reflects the community."

Vehicles were targeted in Maree Close, Santen Close, Laidon Close, Laggan Court, Nevis Grove, Tulla Court, Melfort, Windermere, Meriland Court, Gorman Place, Burnmood, Rutherven, Kinloch Place, Sheelin, Lomand Drive and Arrow Place.

Police are investigating the criminal damage, which happened between 11pm on Thursday, October 31 and Thursday, November 7.

Anyone with information should call PC David Clifford-Smith at Bletchley Police Station on 101.

Heartbreak after farmer kills dog

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

A DOG has been shot and killed by a farmer after it was allegedly worrying his sheep.

One-year-old Tess managed to get free from the person who was walking her from a dog day care centre in Olney and went into Manor Farm in Filgrave.

The centre claims farmer Simon Holden immediately spotted the cocker spaniel and after warning the dog walker gave her just two minutes to retrieve Tess before

shooting. But Mr Holden said the dog may have been worrying sheep for up to 15 minutes and had already exhausted two of them.

He claims Tess also had a sheep's neck in her mouth and he had given the dog walker fair warning.

He said: "The last thing I wanted to do was shoot the dog. My job is to make sure my animals are looked after – I've never had to do this before."

The walker, who wished to remain anonymous, said: "This an extremely sad and deeply traumatic time for all of us."

A spokesman for Thames Valley Police said officers were investigating, but nobody has been charged.

It is time to move on

The building of a new Cofferidge Close in Stony Stratford has been delayed for far too long and the main reason has nothing to do with the size of a new supermarket or an NHS dentist.

These are merely used as a smoke screen to stop improvements and preserve the professional integrity of a few.

It is all to do with the opinion of a few Stony 'intellectuals' who want the building to be listed and preserved as a 'gem' of old time MK Development Corporation style design and build.

These people hijacked the debate from the very beginning and as a result the town has not been able to provide the premises and employment that would bring the spending power that employees would bring to the town.

Stony has lost tenants from Milton Keynes Council and the Open University and thus its shops and other businesses have lost tens of thousands of pounds in sales and local residents have lost employment opportunities, as well as having a building well passed its sell buy date.

Stony Stratford is by far the most attractive historic market town in Milton Keynes and the surrounding area but Cofferidge Close in its present state is unattractive and unsustainable.

I hope residents and the business community can see past the self interest of a few and press for the redevelopment of Cofferidge Close before remaining tenants decide to shut up shop.

Get behind pod plan

CLEARLY the driverless pods are getting a bit of publicity at the moment and judging by the comments coming through, opinion is divided. It's a bit like Marmite, you either love them or hate them.

Curious by nature, I first was alerted to them a couple of years ago. A little sceptical, I managed to get a ride on the system at Heathrow.

Within minutes I was converted. They are so easy – you just tap in your destination, step on, sit down, carry on talking if you're with someone or otherwise get connected and catch up on the local news until you arrive.

This is the future for MK – no longer the public, private transport divide that we've been saddled with to date. This is travel on demand.

We have the ideal infrastructure – a grid network to embrace the pods – so let's go for it.

The only down side is that it's taken more than 40 years to get something that's going to work for MK.

But this will put us ahead of any other city in the UK. Who else is game?

We want to keep Buszy

WHILE making a good headline, your front page article completely misses the point regarding the noise issues surrounding The Buszy venue (*'Petition launched to save The Buszy', MK NEWS, November 13*).

As was eventually made clear in the final paragraph, no-one is seeking to close The Buszy.

The problem is with one particular event (the Garden Party on September 29). When David Cameron launched his Big Society campaign to empower communities, I don't think he had in mind industrial size speakers playing outside until 10pm on a Sunday in a residential area.

I live more than a mile-and-a-half from the venue and the music was loud enough to stop my children sleeping. The Government also wants to improve school results and stopping children sleeping will not help there.

So no-one is looking to close The Buszy – just get whoever is responsible for its event planning to use some commonsense and think about all of the community within which it belongs, not just those who turn up and pay the £10 entry fee.

Free spaces help shops

IN READING the piece on the challenging times faced by high street traders in Newport Pagnell and Stony Stratford in your paper I couldn't help thinking how lucky we are in Woburn Sands.

For although it's the case that over the years our high street too has evolved, losing a fishmonger and greengrocer along the way, we still have a thriving array of shops offering a wide diversity of goods and services. Doubtless they too are having to weather the current economic turmoil but thanks to the foresight of our town council we have a centrally located car park with a capacity of 50 vehicles.

Moreover cars can be parked for an hour on the High Street itself. Such facilities help to draw trade from further afield and are doubtless a key factor in sustaining such a wide variety of shops.

Indeed it is this very wide range, which includes a delicatessen, ironmonger, bakery, pharmacy, post office, two banks, clothing shops, cafes, restaurants, barber and beauty salons that collectively provide for most people's daily needs.

It is therefore most certainly the case that if we didn't have the parking facilities we do, many of these outlets would wither through lack of trade and we would all be the loser.

Find funds for new flag

WHILE walking across Station Square I was absolutely appalled and astounded when I saw the dirty, grubby and tattered condition of the union flag flying from the flagpole in the centre of the square.

How can the council be so disrespectful of our country as to allow it to be raised in such a condition?

I know it is strapped for cash, but surely it can find some funds somewhere to buy a new flag?

Jon Brett's City Life

His column written exclusively for MK NEWS

SINGING Uptown Girl at the top of my voice with a load of other – mostly bald – middle-aged men was an incredible, if slightly surreal experience last week.

Mainly because it's my least favourite Billy Joel song, but when you're swept away with the hysteria of a live gig, it doesn't matter.

Okay, okay. I get it. Maybe 'hysteria' is a little strong. After all, this wasn't a Beatles reunion. Or even a One Direction concert.

But as a life-long fan of the Tell Her About It singer, getting tickets – at £75 each – to see the world's third most successful solo recording artist perform at an intimate venue like the Hammersmith Apollo was always going to be a memorable night.

And I was determined to make the most of it, spending the entire gig on my feet at the front of the stage. I think my wife probably quite enjoyed it too.

The hits were non-stop: My Life, Movin' Out, She's Always A Woman To Me and my personal favourite, Scenes From An Italian Restaurant.

At 64 years of age, Billy's voice is sounding stronger than ever, and while it is clear he strains to hit the top notes, he still manages to pull it off.

The fact that he hasn't released an album of new material for 20 years, but still sells out world tours, is a testament to his ever-lasting popularity.

If I'm really picky, it's a shame Billy didn't use this smaller venue to mix up the playlist a little and maybe introduce some special guests – friends like Elton John and Paul McCartney for example.

Nevertheless, an incredible night to remember.

Concern: Mick Schwartz is worried that travellers will return to MK Village pavilion football field

Gypsies booted off football field

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

THE chairman of a football club managed to move travellers off some pitches after they tried to park their caravans there.

Mick Schwartz, who is the chairman of City Colts football club, told MK NEWS a group of travellers snapped the padlock on a post stopping vehicles entering the site in Worrelle Avenue, Milton Keynes Village.

They then lowered it so they could gain access to set up camp with their three caravans.

Mr Schwartz confronted the group with his wife, saying he would take pictures of their registration details and pass them on to the police if they didn't get off the football field used by the club.

"We got a lot of abuse from them," said Mr Schwartz, who lives in Milton Keynes Village.

"They were saying 'We're here to stay', using swear words and that sort of thing.

"City Colts is the biggest football club in Milton Keynes and we have children playing football here so these fields are for them."

Just weeks before, 18 caravans were removed from the field by members of the public and police.

Now Mr Schwartz is worried travellers will keep returning to the site.

He has used his own padlock to stop any more from simply lowering the post and getting back on to the field.

He added: "There is a worry all the time now about travellers returning."

As previously reported, there is an ongoing problem with travellers setting up illegal camps across the city and Milton Keynes Council is looking at ways to stop it from happening.

200 homeless at Christmas

ABOUT 200 children from the city could be homeless this festive season.

Housing charity Shelter estimates 80,000 youngsters in the UK will wake up homeless on Christmas Day.

Two hundred of those are expected to be from Milton Keynes and could be in temporary accommodation, including more than 90 in bed and breakfasts.

Cllr Edith Bald, cabinet member for finance and housing, said: "No child in MK will be without a roof over their heads in December, or at any other time. I would like to place every homeless family in a permanent home but reality is that due to the policy on affordable housing which the Conservative administration inherited, we don't have enough houses.

"We have put this right by changing the policy but it will take at least two years for the new supply to come through."

Concerned: Peter Ballantyne is calling for changes to be made to Station Square

Discussions on square gridlock

BY JAMES AVERILL
james.averill@mk-news.co.uk

WHEELS are being put in motion to sort out the long running problem of gridlock in Station Square.

Peter Ballantyne, the chairman of the Milton Keynes Bus Users Group, has become increasingly concerned about the congestion outside Milton Keynes Central train station, which he feels is a result of the redevelopment of the square just over a year ago.

The group says the car loop and southern access road get blocked during peak periods and is causing significant delays to bus services.

And Mr Ballantyne believes a simple change of making all vehicles turn left at the southern access road with Aldergate would alleviate some of the problem.

"There are a number of problems," he said.

"If drivers don't find a space they just go round the loop again and again. Also when cars do finally exit, the turn is quite sharp and they almost have to swing into oncoming traffic.

"Cars are doing a u-turn at the beginning of the lane and we have suggested a turn left only junction.

"There is gridlock from 3.30-7pm most days and some improvements need to be made."

John Bint, cabinet member for transport and highways at Milton Keynes Council, said he was expecting proposals from the authority's officers imminently following a traffic flow review.

"There is scope for improvement," he said.

"If we had a yellow box in there that is one idea we could work on that will improve traffic flow hugely and we have other measures which can improve the area."

Keep donating choccy boxes!

MK NEWS and MKWeb is still urging residents to donate chocolate selection boxes to our campaign to sweeten up Christmas for the hungry.

Hundreds of people across the city will be without food over the festive season so we want to help spread some Christmas cheer.

In partnership with MK Community Foundation, we will be handing over any chocolate boxes we receive to MK Food Bank.

You can drop off your boxes at both our office in Fox Milne and at the Community Foundation, based at Midsummer House in Midsummer Boulevard.

Cally Jenkins, editor of MK NEWS and MKWeb, said: "We really want to encourage everyone to donate to our appeal so that we can help make Christmas a bit sweeter for as many people as we can."

The deadline for donations is Wednesday, December 4.

Betty's death an 'accident'

A CORONER has ruled that an elderly woman died from choking on her dinner – labelling it 'a tragic accident'.

Elizabeth Molyneux, 79, affectionately known as Betty, was a former company director who had developed Alzheimer's and had trouble eating her food properly.

Milton Keynes coroner, Tom Osborne, heard Mrs Molyneux had a history of choking on her food and while eating her dinner at Linford Grange care home in Newport Pagnell, she choked on some cauliflower.

She was pronounced dead at Milton Keynes Hospital on August 17.

Accused hangs himself in cell

BY JAMES AVERILL
james.averill@mk-news.co.uk

A YOUNG man remanded in custody at HMP Woodhill hanged himself in his cell.

Sean Brock, 21, was born in Milton Keynes but had been living in Britannia Gardens, Wellingborough, at the time he was arrested on November 6.

He had appeared in court the following day and was scheduled to appear again on December 18.

An inquest into his death, which was held at Crownhill Crematorium on Thursday, heard Mr Brock appeared to be stable during a routine check earlier in the day on November 10.

However, at 10.12am a prison worker peered through the door and found he had hanged himself.

A Prison Service spokesman told the court: "Prison staff attempted CPR and paramedics attended but he was later pronounced dead.

"As with all deaths in custody, the Independent Prisons and Probation Ombudsman will conduct an investigation."

A full inquest into Mr Brock's death is due to take place on June 5-6 next year.

Cloudy2Clear Windows – Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Billy Harley feels that it's all about service. 'Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 5 year guarantee. But it's not just about saving people money, although that obviously helps. Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole.'

Cloudy2Clear service the Bedford, Milton Keynes & Leighton Buzzard areas and Billy is finding that his approach is a major factor in his success. 'The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for, which just goes to show how much a little bit of effort is appreciated.'

So, if your windows are steamed up, broken or damaged give Billy a call for a free quotation on **0800 61 21 118** and he'll be happy to help!

Pressure cooker: Head chef Kerry Azhar says the community cafe in Greenleys cannot open as often because of spiralling costs. The group needs more funds to continue running it once a week

Cafe's costs are hard to swallow

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

A COMMUNITY cafe is struggling to stay open as regularly as it would like.

Rising costs in rent and food mean that Greenleys Community Cafe can now only open on an ad hoc basis compared to when it ran once a week earlier this year.

Organisers say this means residents who use the eatery as a way of meeting new people, as well as getting reasonably priced meals, are suffering.

Head cook Kerry Azhar said: "We get lots of different ages at the cafe and we miss doing it every week. Our volunteers get a lot out of it as well."

It costs around £100 a day to run the cafe and from January the group wants to get back to opening once a week if it can find the money.

A Christmas bazaar raised £230 on Saturday but more cash is needed to open the cafe every Wednesday again.

Sheila Greaves, 67, a Greenleys resident who regularly eats at the facility, said: "I live on my own so I have to find something else to do on a Wednesday night now.

"We want to keep it going as best as we can."

If you wish to help, call 07913 920394 or 07545 464261.

Fitness firm set up by amputee

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

A MAN who lost his leg while serving in the army has begun a new career as a personal trainer.

Mark Smith, from Milton Keynes, was shot several times in his right leg, which led to it being amputated.

And now that he has been medically discharged from the forces he wants to inspire other residents and has launched Frontline Fitness MK.

The personal trainer has based his business on the military so people will take part in stretcher and log racing, tyre flipping and much more.

"I'm proud to be from Milton Keynes and I want people to walk proud in Milton Keynes – to know that there is another level they can push themselves to," said Mark.

"It's okay to challenge yourself and it can be fun as an adult to get wet and muddy.

"Once I was discharged I didn't want to go into any office job because that wasn't for me and I wanted to stay active."

Inspiration: Mark Smith has set up Frontline Fitness in the city

One of the activities Mark has done since having his leg amputated is running 400m on a blade on a running track – two years after he was told that he would never walk again.

"There aren't many personal trainers who can be a living example that no matter what happens in life, there's a way to get through it," he added.

"I feel I will have a big advantage in the area, motivating people to believe that there's always a positive outcome no matter what."

Readers may remember Mr Smith when he carried out the match ball at stadiummk at a game in November 2011 – just 48 hours after being fitted with his prosthetic leg.

For more information about Frontline Fitness call Mark on 07873 729173.

'I'm value for cash' says first ever PCC

BY JAMES AVERILL
james.averill@mk-news.co.uk

THE area's Police and Crime Commissioner (PCC) has said he is worth his £85,000 a year salary.

It is one year since Anthony Stansfeld was elected as Thames Valley's first PCC and he feels the position is slowly gaining exposure.

That's despite a BBC poll showing that one in three people are 'unaware' if there is a PCC in their area.

And as previously reported by MK NEWS, Mr Stansfeld has been criticised for being 'invisible' in Milton Keynes.

Speaking to this paper he said: "I cover a vast area and I rely on the local media to boost that. But I am probably not a born show-off either.

"I do this job to the best of my ability, but in two-and-a-half years I feel there will be much more public knowledge of who the PCC is and what the role entails."

Regarding his salary, Mr Stansfeld said: "My salary is openly published and I have tremendous responsibilities for that.

Twelve months in: Anthony Stansfeld believes more people will know about his role as Thames Valley's PCC in the coming years

"But compared to the authority that I took over from, which cost £600,000 and had lots of members on it who were also on a lot of money, I would say that I have shown value for money."

Mr Stansfeld is in charge of an area covering three counties, a population of 2.2million people and 4,200 police officers. But is there anything that has grabbed his attention about MK?

"I think that all the towns and cities share similar problems," he said.

"But I think it's on a lesser scale in Milton Keynes as it is a very modern city that is generally far better organised than the others. I was sorry that MK didn't adopt the late night levy, it would have made it a safer place and contributed more to local community partnerships. But hopefully it will be reviewed and a more positive decision will be made."

Spirit of Christmas

BY JESSICA DUNCAN
jessica.duncan@mk-news.co.uk

THOUSANDS of excited people turned out to see Warwick Davis with Father Christmas on his sleigh.

Santa, his elves and the stars of this year's pantomime Snow White and the Seven Dwarfs at Milton Keynes Theatre paraded down thecentre:mk to officially open his grotto on Friday. This year it is based in Snow White's fairytale castle, which is part of the shopping centre's Christmas display, The Land of Enchanted Dreams.

Also at the Middleton Hall display visitors can see some of Snow White's friends, ride on a train and make a wish in the wishing pool.

Speaking about the parade, Warwick said: "It was bonkers, people were so excited. I was rather upstaged by the big man in red, but it was an honour. The spirit of Christmas came alive and could be seen in the faces of all the audience."

MK NEWS also got the chance to speak to Santa himself.

He said: "It was amazing to see all the smiling faces.

"This year has been very busy indeed as there are not so many on the naughty list."

Expectant crowds: Younger and older visitors lined the centre to get a peek of the festive parade

Company fined after worker's legs broken

Man faces catalogue of charges

A 31-YEAR-OLD man has been charged with a string of offences in the city.

Darren Levy, of no fixed abode, was arrested on Saturday, November 9 in the West Midlands area and has since been charged with:

- Grievous bodily harm with intent, relating to an incident in Walnut Tree in September 2012.
- Conspiracy to commit a burglary dwelling with intent to steal in Braybrooke Drive, Milton Keynes, on November 7-8.
- Conspiracy to commit a burglary dwelling with intent to steal in Cressey Avenue, Milton Keynes, on November 7-8.
- Conspiracy to commit a burglary dwelling with intent to steal in Wordsworth Avenue, Milton Keynes, on October 16.

He has also been charged with other offences in Northamptonshire, Stoke-on-Trent and Birmingham.

A BUILDING materials firm has been fined after a worker broke his legs when a 400kg metal track fell on them.

Martyn Powell, 41, from Medbourne, was working at a site belonging to his employers, Cemex UK Materials Ltd, in Saxon Street, Bletchley, when the incident happened on June 27, 2012.

The Health and Safety Executive (HSE) prosecuted the Surrey-based firm for safety failings at Aylesbury Crown Court last Wednesday.

The court heard Mr Powell was part of a team cleaning the area around the metal skip track at the asphalt plant.

The track had been lifted into the air by a hoist so it could be cleaned underneath.

The hoist jammed and as Mr Powell attempted to free it using a manual ratchet the hook gave way and the track suddenly fell, hitting his legs.

He was in hospital for a week and unable to work for six months.

The HSE investigation found the company had failed to adequately maintain the hoist and not provided a safe system of work if it failed.

Cemex was fined £35,000 and ordered to pay £10,043 costs after pleading guilty to breaching Section 2(1) of the Health and Safety at Work Act 1974 at an earlier hearing.

Changes to planned road get green light

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

RESIDENTS are celebrating 'a victory for commonsense' after changes were made to a major planning application.

As part of Milton Keynes Council's strategic land allocation in its Core Strategy, a site has been set aside between the A421 and Lower End Road in Wavendon for developers to build homes on.

As part of a proposal to build almost 3,000 houses, an access road linked to Newport Road would need to be built.

It would include two exits on the A421, but it was two further ones proposed on either side of Newport Road that was causing concern for people living in Wavendon and Woburn Sands.

As reported by MK NEWS in August, residents worried about the volume of traffic launched the Campaign Against Newport Road Access group.

But at a Milton Keynes Council development control committee meeting they were told that the access points they were worried about would only be used as a last resort.

They were also told the council will consult with the group and residents if this needs to happen.

"This is a victory for commonsense," said Nick Luke, chairman of the group.

"What sparked it all off was the hundreds of letters which caused the council to pause and rethink.

"I have to say that it is also great plaudits to the council, which has shown it is willing to listen to residents.

"We've been told that alternatives to this route won't be considered without direct consultation with residents.

"This is a great victory for everybody concerned. If the plan had gone through it would have been a disaster for traffic."

Victory: Nick Luke, chairman of the Campaign Against Newport Road Access, is delighted to hear the council will consult them

Butcher's book joint effort with top chef

BY JAMES AVERILL
james.averill@mk-news.co.uk

A BUTCHER has found culinary fame after publishing a book with a top TV chef.

Simon Boddy, who has owned and run The Best Butchers at Lower Rectory Farm in Great Brickhill for 19 years, has written the guide, simply called Pork, after meeting Phil Vickery at his store nearly four years ago.

Last week the book was named as The Telegraph's Book of the Week – a perfect way for the 47-year-old to celebrate National Sausage Week, which was held from last Monday to Sunday.

"I was introduced to Phil by a customer a few years ago," Simon told MK NEWS.

"I had won a few awards that year and we kept in touch and have worked together on a few things and he already had a deal to write a book.

"He wanted to do one on pork so he gave me a call and asked me if I was interested in helping him."

Chapters in the recipe book cover shoulder, ribs, belly, loin, fillet, ham, gammon, bacon, sausages and 'odd-bits'. It also includes the techniques needed to make everything from dry-cured ham, chorizo and salami, to bratwurst, smoked pig cheek pancetta and a 'Brickhill Smokey'.

The book – which is available at The Best Butchers and on Amazon – has already had rave reviews from his loyal customers.

Simon said: "The feedback has been brilliant and a few of the regulars have been trying out some of my recipes.

"I've let a few secret recipes out of the bag, but it was well worth doing because the response has exceeded what I was expecting.

"Phil has said he has loved the reaction too.

"I wouldn't say there will definitely be a second book by us, but we are looking at perhaps doing something on game, but we'll have to wait and see about that!"

Bangers: Simon Boddy worked with chef Phil Vickery on the book

Super Scott still defying the odds

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

A MOTHER is aiming to raise awareness of a little-known, but terminal, disease her four-year-old son is suffering from.

Scott Walters has been diagnosed with mitochondria – a condition which affects every cell in his body.

It means he is unlikely to reach his teens and he has only been able to speak for the last year.

But despite this the MK Dons fan, who goes to Redway School, continues to defy doctors who said he wouldn't walk or talk.

And mum Chrissie says he is the boss with older siblings Jess, seven, and Shaun, 10.

"I didn't know what it was when he was diagnosed," said the 31-year-old from Netherfield.

"He is so determined and to look at him you wouldn't think anything was wrong.

Great Scott: Mum Chrissie Walters with four-year-old Scott

"Now it's about enjoying the time we have together."

Woughton Community Council's winter ball will raise money for the Children's Mitochondrial Disease Network, the only national charity trying to find a cure and support families.

For more details call Kat Mottram on 01908 395681.

MITOCHONDRIA

- Mitochondria are the 'power supplies' in our cells
- The disease means the power runs out so organs cannot operate properly
- There is no cure and few effective treatments for the condition

THE BENEFITS OF TRANSFERRING YOUR PENSIONS INTO AN EMPLOYER'S SCHEME

Have you been offered the opportunity of transferring your pensions into an employer's scheme and are you uncertain whether or not it is represents a good deal?

I was recently referred to a couple whose employer had been taken over by another business which is owned by Milton Keynes Council. This couple have joined the Local Government Pension Scheme. They can apply to transfer their existing pensions into the government scheme within 12 months of commencing employment.

Their existing pensions are all ex-company money purchase schemes, in other words they consist of a pool of investment funds. How much pension they will eventually receive is dependent on how well their pot of money is managed and performs. Most employers' pension schemes are now money purchase schemes.

The Local Government Pension Scheme is one of a dying breed known as a defined benefit scheme. It pays you a guaranteed pension based on a formula which takes into account the number of years you have been a member of the scheme and your final year's salary before retirement. It is otherwise known as a final salary scheme. Virtually

Author of Wealth Magic

all employers have given up offering defined benefit schemes and have replaced them with money purchase schemes. The public sector continues to offer defined benefit schemes.

It is possible to transfer either type of pension into a public sector final salary pension scheme as long as the scheme allows it. The key question is though should you transfer your pension into it? This is where a comprehensive pension analysis service such as the one we offer comes into play. You need an analysis which can objectively show you the advantages and disadvantages of such a transfer as well as demonstrate to you all of your options.

If you are considering transfer your pensions into an employer's scheme or are simply approaching retirement and need advice why not get in touch?

To find out more why not come to a free retirement planning seminar at our Furzton Lake offices? We are also offering a free pensions and retirement assessment worth £270 to the first 10 people who contact us before 30th November 2013. For details go to www.wealthandtax.co.uk/pension.

We also offer a great cup of coffee.

Ring us on 01908 523740 or for free on 0800 980 4516 or email wealth@wealthandtax.co.uk

livemusic

A LIVE music night will take place at MK Gallery on Saturday.

Several acts will take to the stage, including Liberez from Southend, **pictured left**, set up by former Woe members John Hannon and Pete Wilkins.

Founder member of London's arts station Radio Resonance 104.4FM Sharon Gal, **above**, will also perform with her improvisation work, along with Engineer Maxwell C Faraday and the newly formed Black Spring, who play repetitive improvised noise rock.

Tickets for the 7.30pm event cost £4 on the door.

ANGELA Krupinski is a landscape team support and paddock manager for The Parks Trust. In this article for MK LIFE she talks about the perks of her job working in Milton Keynes

WHEN people contact The Parks Trust with a landscape question it's often me that they will speak to as part of my role is handling customers' queries.

With about 10,000 neighbours with properties bordering our land and 5,000 acres of parkland in our care you can imagine we get lots of calls!

Another aspect of my job is looking after our firewood sales, which is increasingly popular with more people using log burning stoves.

My favourite role is looking after our paddocks and tenants.

I absolutely love this because I have two horses myself.

Horses are my passion and I really understand their world so it's great to have a job where I get to share this experience.

We've got 45 occupied paddocks, but we also need to keep a couple free for emergency situations if fencing needs to be repaired or maintenance work done.

In my spare time I often ride around Caldecotte Brook.

We're very lucky to have a fantastic bridleway network in Milton Keynes.

THE final tour of the Vagina Monologues ends at Milton Keynes Theatre on Thursday, November 28.

Eve Ensler's world-renowned smash-hit and controversial play provides audiences with a funny and poignant exploration of the last frontier.

The Vagina Monologues is a celebration of female sexuality and is well known to have audiences around the globe laughing one minute and crying the next.

The show will be led by one of TV's favourite leading ladies, Diane Keen.

Diane recently completed a 10-year stint on the popular BBC soap Doctors where she played Julia Parsons.

Diane will be joined by Hollyoaks original Terri Dwyer and Hollie-Jay Bowes, who began her career on Grange Hill.

Eve, the show's writer and creator, has become an inspirational figure throughout the world. Not only has she established the international women's charity V-Day, but she continues to end violence and abuse suffered by women.

Tickets cost £23.90 (plus booking fee). Book by calling 0844 871 7652 or visit www.atgtickets.com/miltonkeynes

oysterband

THE seaside town of Whitstable is famous for its Oysters – and it's where nearby Oysterband gets its name.

The folk outfit is headed up by lead singer John Jones, who it is believed has never been seen without his sunglasses on.

Their Homecoming Tour comes after a successful side project with singer June Tabor – when they were named Group of the Year in the 2012 BBC Radio 2 Folk Awards.

The Homecoming Tour stops by at The Stables, which holds fond memories as the first seated venue the group sold out.

As well as old favourites they will be trying out new material.

Tickets for next Wednesday's show cost £20 from www.stables.org.uk or 01908 280800. The show starts at 8pm.

intoorbit

GRAVITY sends us into orbit with a gripping tale of survival set in a visually stunning atmosphere.

Sandra Bullock plays space rookie Dr Ryan Stone, who has been sent into space to attach a new device to the Hubble telescope with astronaut George Clooney.

Stone's touching story is wrapped in director Alfonso Cuaron's well written thriller as disaster unfolds. Cuaron sustains the drama as debris whizzes past and smashes viciously into space stations. Dizzying shots disorientate us as close ups of Stone's face reveal her anguish, with beautiful 3D tears floating into space. With first person shots we become Stone, gasping for precious oxygen as we gaze at earth through her helmet. The story is predictable, but Gravity is a stunning spectacle that is worth a watch.

festivelights

CRACKING family fun will be on offer around the city this weekend.

On Saturday, Midsummer Place will be holding its Christmas light switch-on and parade. From 11am more than 20 lovable mascots, elves and fairies will arrive, as well as Santa himself.

The parade will start at 4pm in the Boulevard between GAP and Zara and will end with the lighting of the oak tree. Every child who visits will receive a free ticket to Gulliver's Land for February half-term 2014.

On Sunday the Theatre District's Christmas extravaganza will take place. There will be entertainment from singing sensation Holly Brewer, **pictured left**, an Oli Murs tribute act, UK hip hop champions Limitless Dance Crew and free kids' rides provided by Emmett and Sons. The rides and free refreshments will start at 4pm in the central area of the Theatre District.

The Christmas lights and tree will be turned on about 5.45pm and entertainment will continue until 7pm. This year's event is supporting MK-based charity Emily's Star.

tappedout

THE Simpsons is a programme I have been addicted to for as long as I can remember, and I'm finding the same with a new app based on the programme, writes Scott Kirk**.**

The Simpsons: Tapped Out is basically the story of how Homer blows up Springfield so you as a game player have to rebuild the town.

Throughout the quests you build much-loved buildings and recover characters from the series, such as the Kwik E-Mark, Comic Book Guy and Moe's Tavern.

It is so addictive that I'm waking up 15 minutes earlier before work so that I have time to give my characters jobs to do, which they complete in real time.

It has provided me with hours of entertainment so far!

Emerson Valley

RYAN Daniel is delighted to offer for sale this detached family home located in a small cul-de-sac of just six properties.

The well laid out accommodation comprises entrance hall, cloakroom, lounge, dining room, study, kitchen/breakfast room and a utility room.

The four double bedroom(master bedroom with en-suite and built-in wardrobes) and family bathroom are located on the first floor.

Outside there are gardens to the front and rear, a double garage and driveway providing off-road parking. Benefits to the property include double glazing and gas radiator central heating.

The house does require a little TLC but with a bit of hard work this house will be a superb home for a growing family.

Emerson Valley is located on the western fringe of Milton Keynes and is extremely popular with families. The development itself boasts lots of parkland and the property is located within walking distance of both Howe Park and Emerson Valley schools for children aged between three and 11. It also falls within the catchment area of Shenley Brook End School, which has an outstanding reputation.

We have seen an improvement in the housing market throughout the year and house prices have been rising steadily.

With the announcement of the Government's Help To Buy scheme we genuinely think prices will continue to rise as more potential buyers are able to get on the first step of the property ladder.

With this in mind we strongly recommend you have a look at this great family home, on the market for £322,500.

Call us on 01908 234111 or pop in to the office in Silbury Boulevard for a chat.

DEANSHANGER HOMES OFFER VILLAGE LIVNG AT ITS BEST

SET on the edge of the village with good local amenities and strong commuter links, new Redrow homes in Deanshanger are ideally placed.

Located on Stratford Road, the properties at Becket Manor are attracting buyers from Milton Keynes who aspire to live in a quiet village setting but with easy access to the facilities of a large town.

It's perfect for families as there are schools for all ages in the neighbourhood including Elizabeth Woodville School and a choice of primaries.

Helen McGill, Area Sales Manager for Redrow Homes (South Midlands), says: "Location is always high on buyers' wish lists and for those who want to raise a family away from the hustle and bustle, Becket Manor is ideal. It has quite a rural feel to it as the development is bordered by allotments and there's lots of open space.

"Homeowners can take a stroll along the towpaths of the Grand Union Canal or walk into the centre of the village, where there are plenty of shops to cater for residents' daily needs including a greengrocer, pharmacy, hairdresser, newsagents and post office. The amenities of Milton Keynes are only eight miles away and trains from nearby Wolverton can whisk passengers to London in around an hour, including driving to the station."

The village also features a library, plus a community centre, which is home to lots of active groups.

The four and five-bedroom homes currently being built at Becket Manor will be ready to move into in early 2014.

Prices start from £283,950 for a four-bedroom detached Welland style property with en-suite to master bedroom. Also available is the Grafton; spanning 1,560 square feet of well-planned accommodation this four-bedroom detached home is on the market for £384,950.

A convivial open plan layout with combined kitchen, dining area and family room puts the kitchen at the heart of the home. As with all Redrow homes, the kitchen is well equipped with integrated top brand name appliances plus tall cabinets and extra wide drawers that are both stylish and practical; while the handy utility provides a dedicated space for the washer and dryer.

There's also a separate lounge for quieter moments, a study where parents and children alike can work away from the distractions of family life and a downstairs cloakroom. Upstairs, all four bedrooms are generously proportioned with the master bedroom benefitting from an en-suite to complement the family bathroom.

Incentives are available to help get people moving. For example, customers could cut the initial cost of homeownership with the aid of an equity loan via Help to Buy. Or those with a house to sell could secure a buyer with the assistance of Redrow's Mastermove scheme. They may even be able to combine the two.

To discover more about moving to a brand new Redrow home in Deanshanger, visit Becket Manor, showhomes open daily from 10am to 4.30pm. For details of the latest availability and pricing call 01908 990858 or see www.redrow.co.uk/becket.

THE COUNCIL OF THE BOROUGH OF MILTON KEYNES (REAR ACCESS ROAD (PART), BETWEEN STRATFORD ROAD and chuRCH STREET WOLVERTON) (TEMPORARY CLOSURE) ORDER 2013

NOTICE IS HEREBY GIVEN that the Council of the Borough of Milton Keynes has, on the 20th November 2013, made an Order under Section 14(1) of the Road Traffic Regulation Act 1984. Its effect will be to temporarily prohibit all access along that section of the rear access road running parallel to and to the rear of Stratford Road, Wolverton and Church Street, Wolverton from its junction with Windsor Street to its junction with Cambridge Street, Wolverton.

The Council is satisfied that this temporary closure is necessary to enable works to be carried out, namely, works to repair a burst water main located to the rear of number 54 Stratford Road. It is anticipated the temporary closure will be from Wednesday 27th November 2013 until Friday 29th November 2013, inclusive. The alternative route for traffic will be to proceed via Windsor Street, Church Street and Cambridge Street, Wolverton and vice versa.

There will be no exemptions from the provisions of this Order except for emergency service vehicles.

Access to residential properties affected by the closure will be maintained as far as possible.

The Order will come into operation on 27th November 2013 and will continue in force for a maximum period of 18 months or until the said works have been completed, which ever is the sooner. If the works are not completed within the maximum period stated, a further Order may be made with the consent of the Secretary of State.

Any person committing a breach of the Order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.

NOTICE IS HEREBY GIVEN that the Council of the Borough of Milton Keynes has, on the 20th November 2013, made an Order under Section 14(1) of the Road Traffic Regulation Act 1984 to enable works to be carried out, namely works to repair a burst water main located outside number 10 Mill Street, Newport Pagnell. The effect of this will be to temporarily prohibit vehicular access along the whole length of Mill Street, Newport Pagnell. It is anticipated that the closure will be in effect on Monday 25th November 2013.

There will be no alternative route for traffic as Mill Street is a dead-end road.

There will be no exemptions from the provisions of the Order other than for emergency services vehicles and military vehicles on operational duties.

Access will be maintained as far as possible for residential properties affected by the closure.

Advance information signs will be placed at either end of the affected road a few days before the works are due to take place.

The Order will come into operation on 25th November 2013 and will continue in force for a period of up to a maximum of 18 months or until the said works have been completed, whichever is the earlier. If the works are not completed within the period stated, a further Order may be made.

Any person committing a breach of the Order will be liable upon prosecution to such fine as prescribed by the Road Traffic Regulation Act 1984.

   The alternative route for all traffic will be to proceed via Anson Road and Aylesbury Street and vice versa.
2. that section of the rear access road running parallel to and to the rear of Windsor Street and Cambridge Street, Wolverton, from its junction with Aylesbury Street to its junction with the alleyway that runs between numbers 95 and 97 Windsor Street, Wolverton. The anticipated dates for this closure will be from 4th December 2013 until 6th December 2013, inclusive.
   The alternative route for all traffic will be to proceed via Windsor Street and Aylesbury Street and vice versa.
3. that section of the rear access road running parallel to and to the rear of Victoria Street and Green Lane, Wolverton, from its junction with Stacey Avenue to its junction with the alleyway that runs along the rear of Osbourne Street, Wolverton. Each rear access road will only be closed for one to two days within this period and only when indicated by the appropriate traffic signs, which will be erected in advance of any road closure.

Gleeson aims for a fine nine as Dons play three in a week

BY SCOTT KIRK
scott.kirk@mk-news.co.uk

DONS central midfielder Stephen Gleeson wants nine points from his team's next three games as the stadiummk outfit look to push into the play-off picture.

After a three-week break from the league, Dons have three matches in the space of seven days, first entertaining Bradford City this weekend, before a midweek trip to Colchester United and the visit of Coventry City to Milton Keynes a week on Saturday.

"Saturday is going to be massive to get a win against Bradford," said the Irish midfielder.

"They are just outside the play-offs so if we win that and our game in hand then we're right in the mix.

"It's important to keep within touching distance.

"We know we'll go on a good run and we need to make the most of it when we hit that good bit.

"We're taking it in little blocks of games this season and this is the first of a lot of games coming up around Christmas.

"We want nine points out of the week as we've had a full seven days to prepare. It's a massive three games.

"We've not played for a while now and we should be quite fresh this week so we're raring to go."

Gleeson was full of praise for a Bradford outfit who have kept their momentum from last season going.

They reached Wembley twice in 2013-14 as they progressed to the finals of the League Cup and the League Two play-offs, and Gleeson recognises the challenge that the Yorkshire side will pose on Saturday.

"What they did last season was amazing and the momentum you get from winning every week is massive, so they have continued that into League One," he said.

The games come after last week's tie at Oldham Athletic was called off due to international call-ups at the Latics, and Gleeson admitted it was strange not having a game on a Saturday.

He has returned from a calf tear similar to the one sustained by goalkeeper David Martin, which has seen the shot-stopper come back three times only for him to hobble off injured again.

Gleeson says it has been frustrating having to miss games.

"In a way it helped to get the calf 100 per cent but it was weird not playing on a Saturday," he said.

"But I've had another hard week's work under my belt now so I'm getting more confidence in it.

"I've never had a muscle tear injury before.

"You feel like you're okay but the medical staff know best.

"It was really frustrating to miss the games but I couldn't take the risk."

The tear comes after Gleeson broke his toe last season, which made him miss a decent chunk of 2013, and the Irishman admits it has been annoying to have been out so much this year.

"Injuries are part of the game and if you go through your whole career without an injury then you've been lucky," he said.

"I have learned a lot about myself after the injuries and it has been a frustrating year but I do the best job in the world so I can't complain."

Similar to manager Karl Robinson, Gleeson is now looking forward to getting some consistency about the team and the midfielder is looking forward to renewing his partnership in the centre of the park with Darren Potter.

"We know each other's games well and we've played together for a long time," he said. "It's easy to slot back in with Potts and do what we do."

MK Dons Head of Coaching GARY WADDOCK writes exclusively for MK News every week

I WENT to England U21's 3-0 victory over Finland at stadiummk on Thursday night and it really was an excellent game.

It was a fantastic atmosphere and it was great to see the lower tier full.

It's brilliant to host a game like this and it shows how far the club have come forward.

The game at Portman Road in Ipswich had an attendance of 17.000 and it was close to 20,000 here so it's a great credit to the club and the people locally.

I'm hoping to watch England and Ireland this week and then they have to wait for months until their next game.

I think it must be very difficult for international managers.

They have players for a week when there are two games in that period and then you won't have them back for three or four months.

A lot can change in that time as well with injuries and players coming in and out of form so I can imagine it being difficult.

I'm sure they have to adapt to that process coming out of club management but I reckon it still must be hard.

It was strange this weekend not having a game.

With us playing Colchester United on Tuesday night I went to their match against Swindon Town so it was still quite busy this weekend and it was good to have a look at the opposition before we play them.

We would have much preferred to have played Oldham Athletic on Saturday but they obviously had international call-ups so you have to respect that and move on with the next game.

We will have to go up there at a later date and hopefully get the result we need up there later.

Bradford here is an important game on Saturday because we want to be in and around the play-offs.

Bradford have a very good manager in Phil Parkinson and had an incredible year last season. Their strikeforce is an absolute handful so they deserve a lot of credit.

NON-LEAGUE FOOTBALL

Swans are beaten after 11 goals at Willen Road

STRUGGLERS Newport Pagnell Town were thrashed 8-3 at home to second placed Deeping Rangers in Saturday's United Counties League Premier clash.

The Swans also conceded eight against Rangers at Willen Road last season and fell behind when Massimo Lagioia put into his own net. Ben Shepherd did manage to level after rounding keeper James Doughty and the Swans then went in front through Lukasz Filipiak's spot kick.

Matt Heron fired through a crowded area to level for Deeping who then went in at half-time in front thanks to Alex Beck's close range strike.

The second-half was then a disaster for Town who went 4-2 behind thanks to a Josh Moreman goal and were then hit by a fine hat-trick by Ryan Oliver. A Ben Clarke strike gave Newport their third but Oliver had the final say to complete the scoring.

Elsewhere, Olney Town were knocked out of the Berks and Bucks Intermediate Cup on penalties after an exciting 3-3 draw at Amersham Town.

Adam Toombs opened the scoring for Amersham but his effort was cancelled out by Olney's Deanio Bailey-Brown on 75 minutes.

Jason Douglas looked to have won it for Amersham three minutes from time but James Wardell levelled for Olney in the 90th to take the tie to extra time.

Bailey-Brown gave Olney the lead three minutes into the additional period but this time Amersham hit back through Dan Tomlin and they then won the shoot-out 4-3.

It wasn't as close for MK Wanderers who had a torrid time in their cup tie, going down 13-0 away at Hale Leys United.

In the Spartan South Midlands Division One, Ben Cutting's opener for 18th placed Stony Stratford Town was not enough as they went down 3-1 to visiting Kentish Town.

Old Bradwell United were knocked out of the Anagram Records Trophy in round two after a 3-1 home defeat to Sporting Hackney, who went 2-0 up with two goals in the 62nd minute.

Bradley Williams replied but Hackney sealed it late on.

In Division Two, Mark Toms and Lee Erswell struck for seventh-place Wolverton Town as they won 2-0 away at The 61 FC.

Willen were beaten in the same division though, 5-2 at home to Totternhoe with their goals coming through Karl Ainsley and Ryan Guinnane.

New City Heating Milton Keynes Sunday League sides were also in action and a superb brace by Jason Benjafield enabled New Bradwell 2012 to cause the shock of the round in the Berks & Bucks Sunday Intermediate Cup. They battled hard throughout to achieve a magnificent 3-2 victory over high flying Real Milan of Slough.

Other local sides were not so fortunate with Olney Town going down 7-2 at Wraysbury Bentons while RJ Fitness forfeited their tie at Pioneer.

Both local sides in the Junior Trophy were also eliminated, with Bletchley Wanderers beaten 6-1 at Ickford and NHBC seen off 2-0 at home by SFG.

In the Premier Division leaders Scot Wharfside Electrical were victors by three goals to one in an end to end contest with Inter Faith.

Stony Stratford remain hot on their heels following a resounding 6-3 victory over third placed Punjab United and The Garage MK beat Willen 5-0.

In Division One Southcott lost their 100 per cent record, after a 9-1 defeat against leaders Open University. Stanton Manor are second after a 3-2 win over Swanfica.

New City Saints downed Stoke Hammond 2-1 while Buckingham United A shared ten goals with Western United in a 5-5 draw.

Division Two saw leaders Bucks Biz's faltering form continue in their 2-2 draw with Newport Albion.

Form side AFC Santander defeated Southcott B 5-0 and Stantonbury Social Elite were 3-2 winners in their match with Buckingham United B.

MK sting the Bees

Rough and tumble: Lightning's Ross Bowers gets stuck in against the Bees

MK LIGHTNING head coach Nick Poole said his side became complacent in their narrow success over Bracknell Bees on Sunday.

He is also hoping for more straightforward successes as his team prepares for their first midweek game of the season against Telford Tigers before Sunday's derby trip to Peterborough Phantoms.

His team blew a four-goal lead on Sunday before eventually prevailing in overtime against Bracknell, 5-4.

That came after Lightning were two goals down to the same side on Saturday before they succeeded 3-2.

"We're still to win a game in the normal way," said Poole.

"It's keeping the fans entertained though!

"We may have been a bit complacent but I was really pleased that we came back to win on Sunday."

For the first 40 minutes on Sunday Lightning were in the ascendancy with Stan Lascek ruling the show as he struck four times without reply – captain Adam Carr claiming assists on all four goals.

But then the tide suddenly turned in the third period with Bees hitting three goals in eight minutes before Lukas Smital tied the game up with just under two minutes remaining to send the encounter into overtime.

Four minutes, 23 seconds into the extra period and Janne Jokila sent a sweeping pass across ice to Michael Farn to crash home on the powerplay and finally secure victory for Lightning.

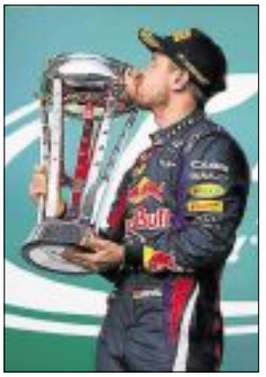
Ross Green scored his first goal of the campaign to secure a last gasp 3-2 win for Lightning at the Bees on Saturday.

Tom Carlon supplied the defenceman with only one minute 12 seconds remaining at The Hive to seal yet another late comeback for Poole's team.

Once more Lightning went two goals in arrears in the first period before recovering in the latter half of the game.

FORMULA ONE

Great eight in the States



Winner again: Sebastian Vettel in the United States

SEBASTIAN Vettel added another feather to his cap by becoming the first driver in history to win eight consecutive races at the United States Grand Prix on Sunday.

The quadruple world champion wrapped up the drivers' title two races ago in India but still had his eyes set on further accolades at the Circuit of the Americas in Austin.

His victory in Texas, ahead of Lotus' Romain Grosejean and third placed Red Bull Racing team-mate Mark Webber, saw him surpass the previous record of seven wins set by his German compatriot Michael Schumacher back in 2004.

For all conquering Tilbrook outfit Red Bull this was yet another afternoon to remember in yet another season of dominance over their rivals.

"It's the day after, normally on the Monday, when you feel what you have achieved," said Vettel.

"It's a great feeling, you have a grin on your face and it's nice. On Sunday things happen fast and you don't always realise what has been achieved until later.

"It was down to a team effort [in the United States]

"Everyone is willing to push; the guys were working hard as we had some concerns about reliability on the car, so they were flat out trying to fix the problem and the car ran okay all race, so a big thanks to them."

Red Bull team principal Christian Horner hailed the latest record broken by the 26-year-old.

He was also proud of the team for recording a sub-two second pit stop for the first time when Australian Webber made his sole visit to the pit lane.

The team's car data recorded Webber as being stationary for just 1.923 seconds.

"It was an incredible team performance," said Horner.

"For Sebastian to achieve a new record of the most consecutive wins in a season is a fantastic performance and to be joined on the podium by Mark, who tried everything in the closing laps, gave the team a fantastic podium at the United States Grand Prix.

"To achieve this result in front of so many of our team partners and supporters, as well as setting a potential new pit stop record on Mark's stop, has topped off a fantastic weekend for the whole team."

Local rivals to collide in Bucks Shield final

RIVALS Milton Keynes and Bletchley will lock horns again in the final of the Bucks Shield after both came through semi-finals on Saturday.

For Milton Keynes, passage through turned out to be extremely straightforward as scheduled opponents High Wycombe were unable to field a side, allowing City to walk straight into the final.

Bletchley did have to play though and they came through a tight contest against visiting Beaconsfield, eventually winning 24-20 after a closely fought affair.

Fly-half Phil Harman got Bletchley off to a fine start with an early try which followed an interception, but the conversion was missed.

Points continued to arrive though and scrum half Tom Foster added to the try tally a few minutes later after a strong scrum by the Bletchley pack.

Harman converted this time and then added a penalty to give the hosts a 15-0 lead, but Beaconsfield were on the board before the interval with a penalty of their own.

The visitors emerged strongly after the break with a penalty and converted try to cut the gap to just two points, before another Harman penalty gave Bletchley a bit more breathing space at 18-13.

However, after applying pressure on the Bletchley 22, Beaconsfield added a second try and moved into a two point lead after the extras were added.

With only ten minutes remaining it was a nervy period for the hosts, but two more Harman penalties restored Bletchley's lead and won them the game.

With Bletchley currently top of the Southern Counties North and Milton Keynes in third, the final at Manor Fields on December 21 looks set to be an exciting contest. Bletchley won a league match between the two 20-13 in September.

HOCKEY

MILTON Keynes Men's 1sts recorded their first league victory at the seventh time of asking on Saturday with a 4-1 home win over Oxford University.

Two strikes from Jan Ochsenchlaeger, a goal from Mikey Gilson and an own goal sealed the win over the students.

Despite the win, MK are still second from bottom in the South Hockey League Premier Division One, but they have opened up a five point gap over bottom club Eastbourne who have lost every one of their games so far.

Elsewhere, the Ladies' 1sts picked up a valuable 3-2 win away at Wallingford, their second victory of the season in South Clubs' Division 3A.

A last minute goal from Fran Lee settled the contest in Milton Keynes' favour.

BOXING

MATT Legg was stopped by the hugely experienced James Toney at Thursday night's UK v USA International Heavyweights Prizefighter event.

Milton Keynes man Legg (6-2) was defeated by TKO in round three of the quarter final bout by 45-year-old American Toney, a former world champion in three divisions.

The event featured eight fighters from both sides of the Atlantic competing in a straight knock-out event at London's York Hall.

Toney was beaten in the semi-finals by Jason Gavern with Brit Michael Sprott eventually claiming the overall title.

ATHLETICS

MARSHALL Milton Keynes Athletic Club athletes dominated all six races at the MK Secondary Schools' Cross Country Championships in Campbell Park.

In the year seven category for girls Katie Mallaghan was the winner ahead of Montana Edghill while in the boys' race Robert Hickman led home Charlie Sanders.

Emma Mears won the girls' race for years eight/nine, ahead of Jessica Nuttall, with a win in the boys' event by Alfie Yabsley ahead of second-placed Harvey Green.

Finally the year ten/11 age group had wins for Sophie Botham and Owen Seamark, ahead of Lauren Murphy and Archie Rippin respectively.

There was another victory for the club at the London Cross Country Championships at Parliament Hill Fields as Lara Bromilow crossed the line first in 22m 16s.

KORFBALL

BOTH MK Lakers outfits were in action against Harrow on Sunday – and both slipped to narrow defeats.

The Lakers M slipped to a 10-7 reverse to the London side's 1sts while the Lakers W outfit went down 8-5 to the 2nds.

MOTORSPORT

MILTON Keynes racer Jamie Stanley will be entering the 2014 Avon Tyres British GT Championship, in the popular GT4 class in the sports car series.

Alli back for Bradford and Dons are up for the fight

BY SCOTT KIRK

scott.kirk@mk-news.co.uk

DONS boss Karl Robinson is expecting Dele Alli to be back for the crunch League One clash with Bradford City on Saturday.

The 17-year-old is expected to return to the squad after an ankle injury alongside midfield colleague Ben Reeves, but goalkeeper David Martin isn't fit for the game, with Luke Chadwick also likely to miss out.

Dean Bowditch and Antony Kay are also still missing but centre back Shaun Williams is fit after picking up a knock on his foot last week.

A behind-closed-doors friendly against Premier League Fulham – which the Cottagers won 2-1 – took place yesterday to keep the players' fitness levels up after their game against Oldham Athletic was called off on Saturday.

The Latics had three players called up for international duty, meaning the Dons had a rare free weekend.

"It was weird on Saturday," said Robinson.

"At about 12.30pm on Saturday I said to the missus 'no offence but I'm missing the buzz of a game!'

"It has given us time to take stock and the players are now fully refreshed and looking forward to Bradford.

"We wanted to play obviously but you've got to deal with what comes along and in hindsight it might be for the good."

Robinson used the opportunity to watch Bradford and Coventry City play each other – two of the next three teams the Dons will play over the upcoming week.

First up it's the Yorkshire side, who have begun this campaign very well after their marvellous season in 2012-13 which saw them earn two trips to Wembley in the League Cup and League Two play-off final.

"They have a remarkable strike-force and get the ball to them very quickly," said Robinson.

"They had a wonderful season last year and that can build up a great deal of momentum for a team, but we'll be up for the fight when they come here on Saturday."

Meanwhile, on-loan Chelsea striker Patrick Bamford earned a call-up to the England U21 this weekend and was named on the bench by Gareth Southgate ahead of last night's European qualifier with San Marino in Shrewsbury. Robinson was aiming to get to the Greenhous Meadow for the game.

"The boy deserves all the accolades and he has aided himself as he always wants to improve," said Robinson about the striker, who has scored 12 Dons goals this season.

"His goal was to get into the U21s and I wasn't too sure playing for us would get him there but it is proof that if you do right regardless of what level you are at you will get your opportunities.

"Gareth Southgate has obviously seen him as one for the future and brought him up."

Six Dons players were called up to international duty this weekend.

As well as Bamford, Samir Carruthers (Republic of Ireland U21s), Lee Hodson (Northern Ireland), Alli and Brendan Galloway (England U18s) and Danny Collinge (England U16s) were recognised.

"It's a great testament to the club that we're doing something right for the future," Robinson added.

Absent: Dons keeper David Martin will miss Saturday's home clash with Bradford, meaning a start for Ian McLoughlin

'Unreal' season for Nash who claims independent title

JAMES Nash said that his season in the World Touring Cars Championship had been 'unreal' after he captured the independent title and came third in the standings overall.

The Milton Keynes race-ace finished sixth and fourth in the final two races of the season in Macau on Sunday to cap a superb campaign for team Bamboo Engineering in his Chevrolet Cruze.

His performance was more than good enough to claim the two points he needed to become the first Briton to win the Yokohama Trophy for independent drivers – which he has now added to the British Touring Cars independent title which is already on his impressive CV.

However, he also managed to overhaul fellow Brit and former team mate Tom Chilton to become the first independent champion of any nationality to claim a top three position in the final WTCC overall season standings.

"I've had two overall wins this season and won the independent title," said twenty-seven-year-old Nash.

"That was the pre-season aim so to have finished in the top three in the overall championship too is unreal."

The opening race for Nash was a careful self-controlled run to the finish that ensured independent glory but the second race was anything but straightforward with the city racer fortunate to emerge relatively unscathed from what became little more than a crash-fest.

"I drove a controlled opening race," said Nash.

"I knew what I had to do which was to stay ahead of Tom [Chilton] and with that in-hand there was no need to try anything ahead, I simply had to concentrate on bringing the car home in the points.

"The second race though, was pretty dramatic.

"I could see all hell breaking loose in my mirrors as quite a few cars smashed into each other and blocked the track."
